30" I.D. Pipe x 3 Feet	1260 lbs.
30" Tank Lids	240 lbs.
18" Lids (used on older tanks)	60 lbs.

General Information

- There is an additional charge of \$80.00 for a one foot piece of pipe that is mounted to the tank, which is not included in the tank price.
- These prices do not include tax. E&H is not applicable to delivery.
- Prices listed below include delivery to the job site, lowering of the tank into a prepared hole and mounting the manhole on top of the tank.
- Lids are included with the price of the tank but manhole is extra.
- A charge of \$75.00 an hour waiting time will be assessed if job site is not ready at stipulated time of delivery.
- We will not be held responsible for tanks that are put into a water table as government regulations do not allow such installations.
- 1000 Gallon Holding Tanks are C.S.A Certified.
